BARB LA SALLE, ASSOCIATE ED.
SCOTT LITTLE, BUS. MANAGER

Crisp fall air and multicolored leaves . . . plaid skirts and bermudas . . . pep assemblies . . . and potlucks . . . football practice and homework. . .

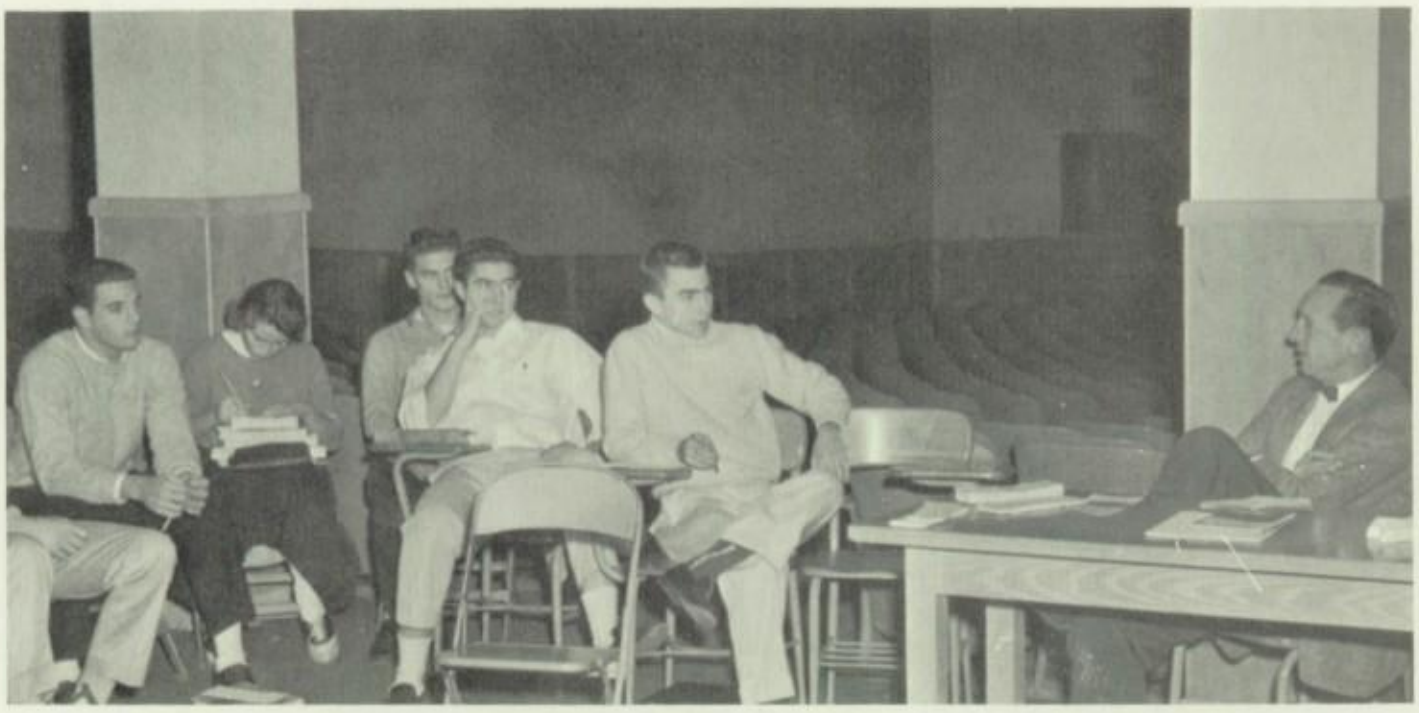
It's September — the start of another school year. Many familiar faces are gone, but new ones spring up to take their places. Footsteps and friendly chatter again echo throughout once empty halls.

As the year began with over 850 students and four classes instead of three, one could only imagine and predict the events to come. You didn't know that River would win the SWC championship in football . . . that **Dear Phoebe** Would be a great success . . . that

Gisela Heuser would be our first foreign exchange student . . . that Bill Randle would present an All-Star show . . . or of the many dances that . . .

These happenings are now memories. Girls have probably filed dance souvenirs in foot-high scrapbooks while boys might still discuss Moir's no-hitter against Lorain.

So that this year will prove a memorable one, this book is presented; to you, the students, whose activities at River are reflected on every page of this the "59" Riverlet.

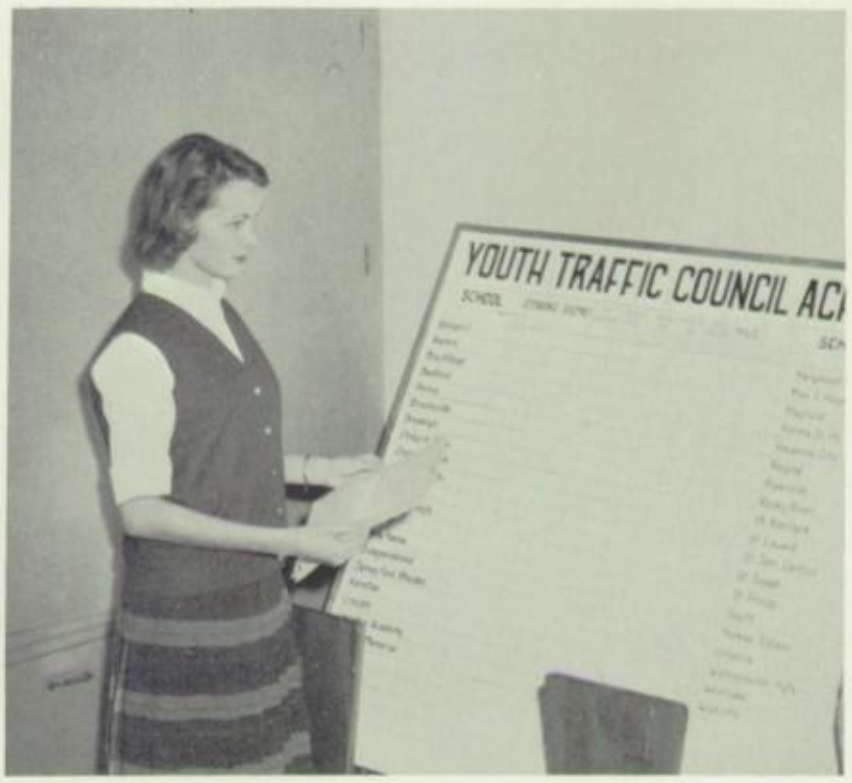


Assemblies of all types — sports, awards, music, speakers — are frequent at River. One of the most popular speakers is Dr. McLeod of Baldwin Wallace, who has spoken here for the past three years. Afterwards, group conferences are held.

The daily routine starts with the bong-bong-bong of the intercom. Bob Wallace, Judy Stofer, and Jeff Dawson rehearse before broadcasting the day's announcements.

Projects made by industrial arts classes are used by various organizations in school. Ron Cansky poses with decorations used at the Christmas formal.

Leaders' Club conducts ticket sales during football, basketball season. Mr. Hooker demonstrates good sale technique to Carol Smith.



Sue Cawrse (**PICTURED ABOVE**), Scott Little, and Pat Eaton represent RRHS in the Youth Traffic Council.

After game canteens would not be possible without the friendly assistance and chaperonage of River parents.

Homeroom representative Bill Stewart led 110, the homeroom with a heart, to the top in the United Appeal Drive. Their average per person was $3.00 plus.

Janeen Russell made her debut as a playwright when Dramatics Unlimited presented her original play, **The Dance**. Included in the cast were Frank Abel, Carol Kaiser, Jan Horbaly, Ruth Hosler, and Betsy Hackenberg.

RRHS Students Frolic At One of the Many All School, Student Council Sponsored Canteens.

Mrs. John McNeill welcomes Gisela Heuser to Rocky River. "Gila" spent the year with Mr. and Mrs. Robert Lindstrom, and Nancy and Sue.

After a year in Rocky River, some changes were apparent. We hope that this smile will help carry a better understanding to Germany.

Girls' Council sold programs at all home basketball games to raise money for the foreign exchange program. Sophomore salesmen are Gayle Williams, Sani Smith, Leah Vorhees, Gail Boswell, Tootsie Howell, Sue Bamert, and (**FRONT**) Judy Gamble.

Innovation in history classes this year was campaign speeches given during the fall elections for the different candidates. This preceded the mock election held at RRHS. Sue Barth is speaking for William Minshall.

Gisela Heuser poses on the pier with her brother Peter and her sister Margaret just prior to sailing to America.

Decorations and publicity for the annual junior class dance were handled by these junior girls. They are Ann Eggers, Connee Teaman, Lynne Wilcoxen, Judie Bickel, Debbie Sprague, and Sandy May.

ADMINISTRATION

Improving curriculum and expanding present facilities are two of the many tasks confronting River's Board of Education. To meet the needs of a growing school population, contracts were awarded for the construction of the new Bates Elementary School and for an addition to Goldwood. Three tennis courts have been laid out and another parking lot has been added at the high school. New bleachers have been installed at the junior high athletic field. The board approved organization of the local State House Conference held in October and worked hard developing support for the renewal of the 9.29 mill operating levy at the November fourth election. In addition to approving various curriculum changes, the board was responsible for beginning French classes for elementary school pupils.

Dr. Thoburn S. Davis

Boys' Council, National Honor Society, and the principalship of RRHS fill **Mr. Robert Cawrse's** time amply. A graduate of Baldwin Wallace, he's also attended Western Reserve. When not concerned with academic problems, Mr. Cawrse is a fishing, boating, gardening, and sports enthusiast. Students and faculty alike often comment on his friendliness and administrative ability.

Understanding and a genuine desire and interest to help the student in solving problems characterize River's Dean of Girls, **Miss Frances McKee.** Taking time from a busy schedule, she acts as advisor for Student Council and Girls' Council. Trave occupies her summer months.

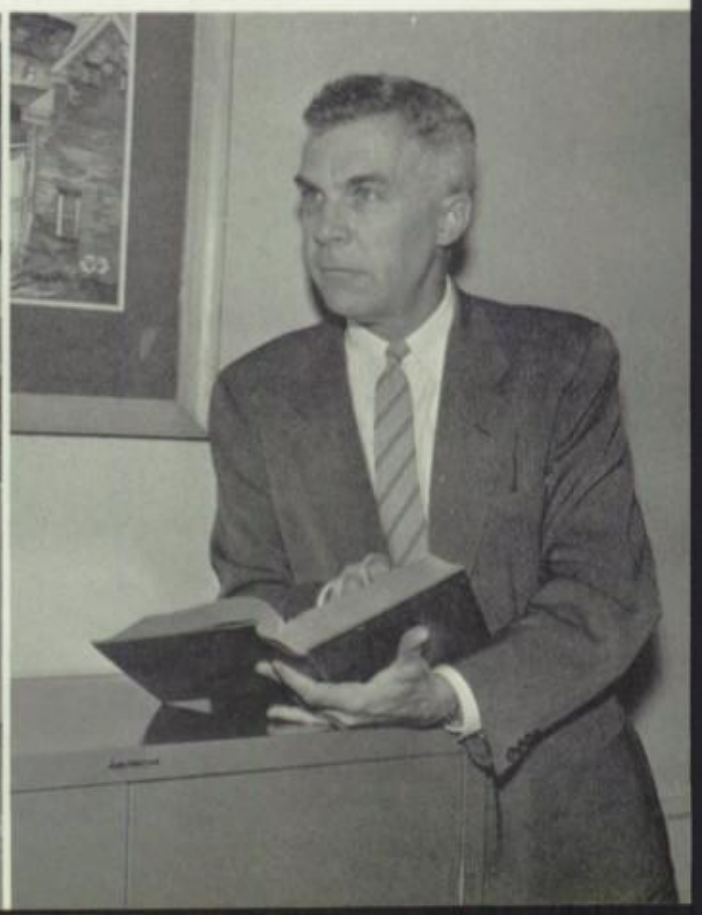
"Now, I tell you what I'm gonna do." The many duties of assistant principal — the handling of discipline problems and working with the building and grounds and canteen committees, to name a few — are handled by **Mr. Arthur Bennett.** Two of his favorite pasttimes are fishing and reading.

STANDING (L. to R.): Mr. John W. McNeill, president, and Dr. Thoburn S. Davis, superintendent of Rocky River Public Schools. **SEATED:** Dr. Hugh R. Anderson; Mrs. Elizabeth Sprague, vice-president; Mr. Francis J. Amer; Mrs. Mildred Josselyn, clerk-treasurer; and Mr. Hylas E. Smiley.

Mr. Robert C. Cawrse

Miss Frances M. McKee

Mr. Arthur M. Bennett



Mr. Robert Payne, Mr. Edgar Burford, Mr. Charles Shelton

"Come on, Come on, Wow! Boing!" A firm background for college English spiced with histrionics is provided by **Mr. Edgar Burford.** His extra-curricular activity is sponsoring Senior Hi-Y. Golf, puttering around, and working on his Ph.D. take up his spare time. Incidentally, he is reputed to be a biblio-maniac.

When not instructing Riverites in English or journalism, **Mr. Robert Payne** finds himself acting as junior class adviser or overseeing the production of the Thursday night Hi-Tide. When summer rolls around, he migrates to his Lake Michigan cottage.

Sponsoring the Riverlet is **Mr. Charles Shelton's** main vexation; in spare periods he teaches English. In addition to being a summertime milkman, outside interests include gardening, furniture refinishing, and his family. Threatening to fire the entire Riverlet staff consumes much of his seventh period.

Miss Edith White, Miss Dorothy Gray

A love of nature, travel, theater, books, and Robert Frost are the chief characteristics of **Miss Dorothy Gray.** Teaching sophomore and junior English, advising the monitor and service committee of Student Council, and driving to her home on the East Side occupy most of her time. She can always be found looking for something.

Speech logs and cutting myriads of clippings are things most remembered by **Miss White's** speech students. While she also teaches English eleven, dramatics is her first love, as she still heads Neophyte-Thespians and directs River's two annual plays. Travel is a favorite pasttime.

A new addition to River's English department after two years at the junior high school is **Miss Fay A. Botten.** She has stepped right into the swing of things by sponsoring the ninth and tenth Dramatics Club. Summers at Lakeside, Ohio; music; speech; and various crafts and sports take up her spare time.

Organization is the chief trait of **Miss Marcia Mitchell.** She teaches English and has one advanced class for seniors. Her special activity is sponsoring Freshman Friendship. In the summer she participates in the Shakespeare Workshop at Yale University. Outside interests of music, photography, and travel keep her occupied.

Miss Fay Botten, Miss Marcia Mitchell, Mrs. Helen Howe

Teaching English and sponsoring freshman dramatics constitute **Mrs. Helen Howe's** school duties. Enjoying life and attending summer school are outside interests while traveling throughout the "49" is a favorite hobby for her. She's a graduate of Penn State.

As an experimental extra-curricular English project, Miss Marcia Mitchell directed her sophomores in the production of Shakespeare's **Julius Caesar.** Rehearsing the "Et tu, Brute" scene are **STANDING:** Karen Bloesinger, Cindy Chelarin, Ervin Wentz, Marge Hall, Barb Baker. **KNEELING:** Merilynn Nunn, Margo Prentice, Bill Leece, and prostrate: Ted Cooper.

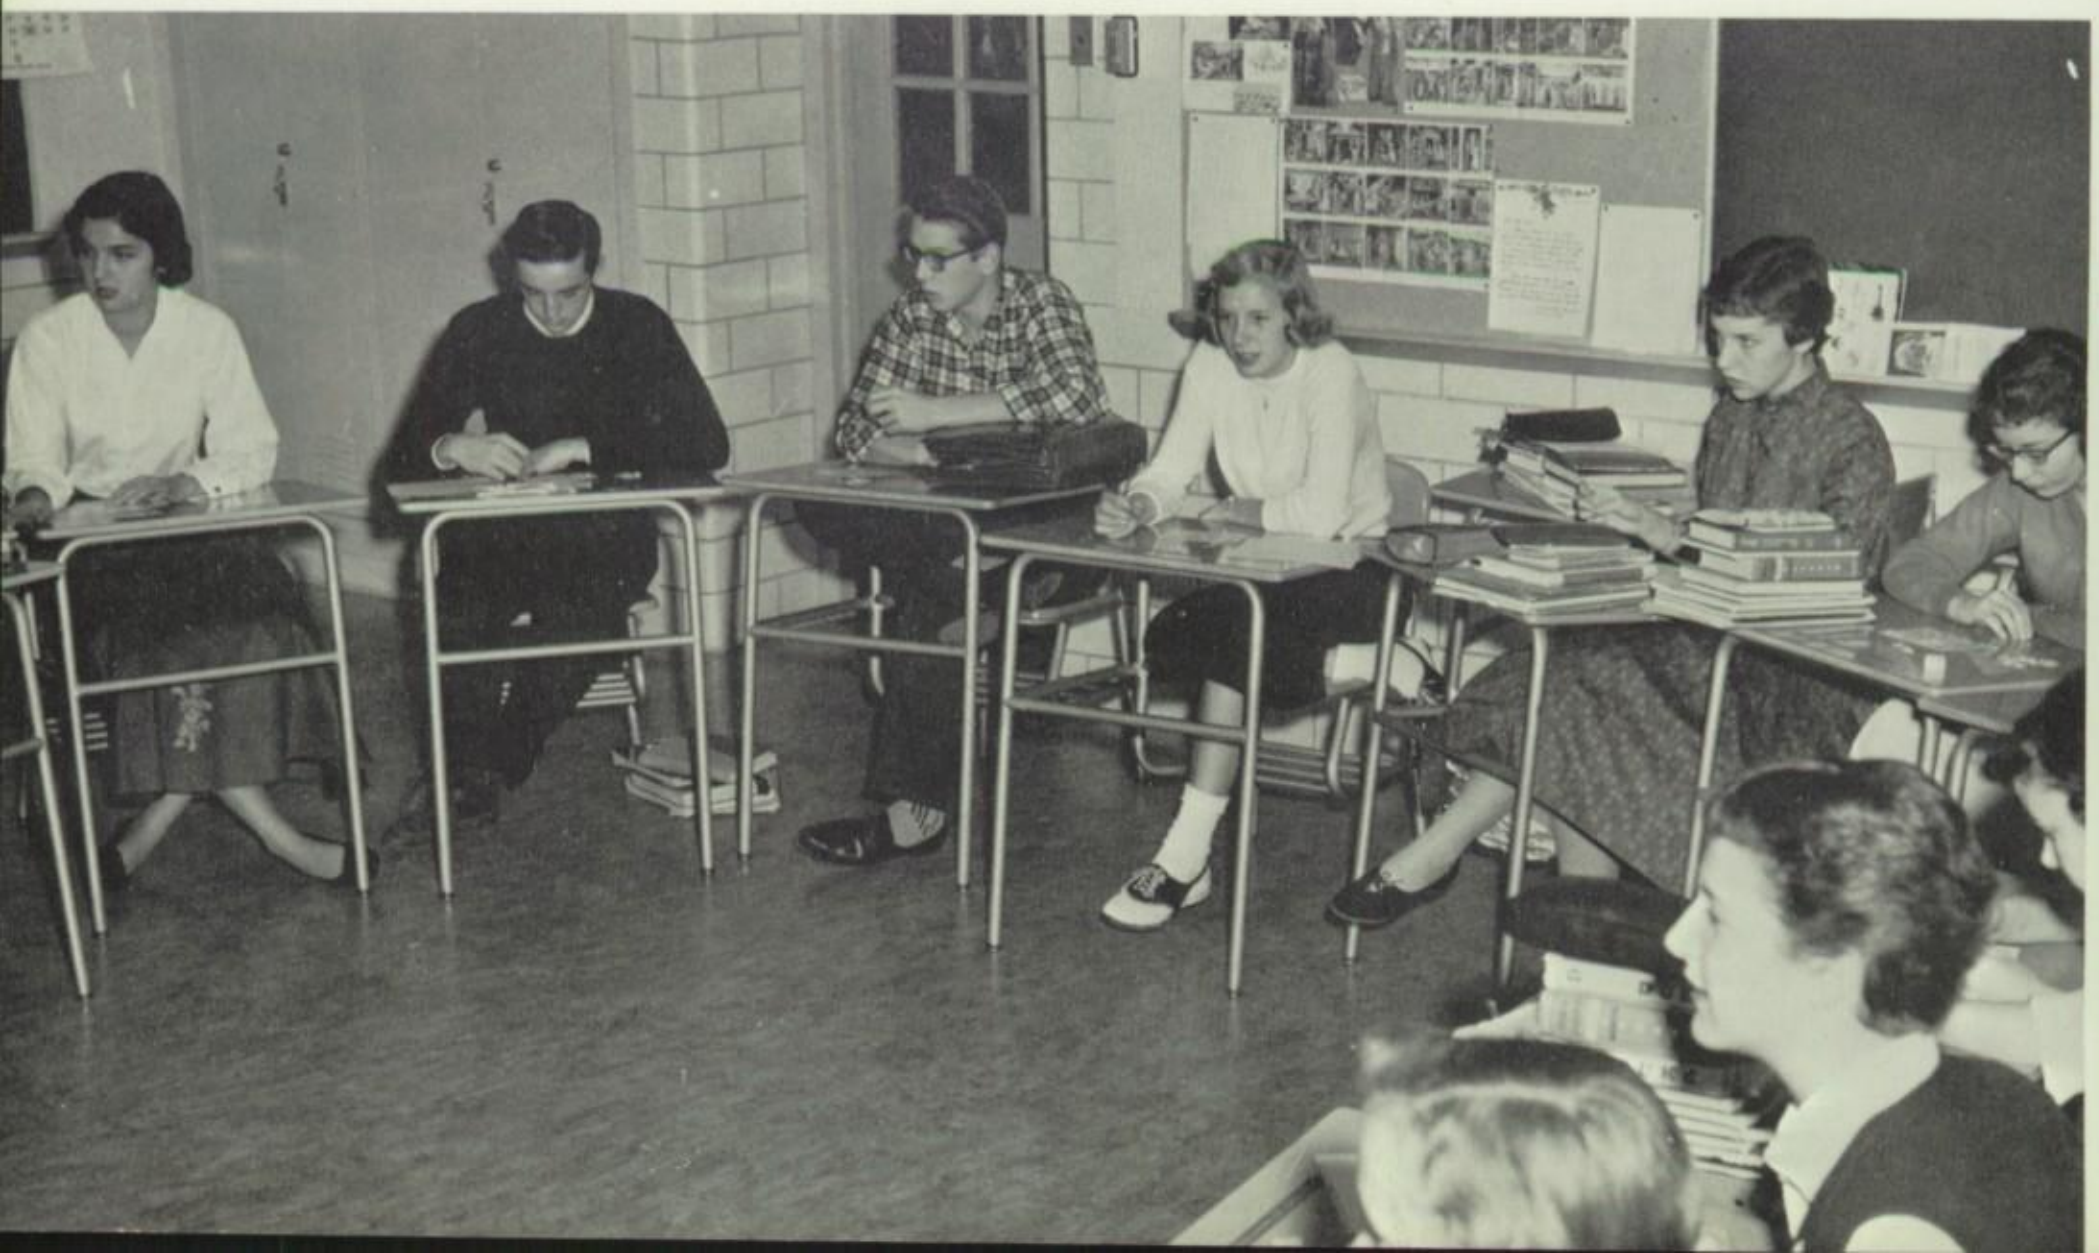
Mr. Robert Case, Miss Patricia Armstrong, Mr. Herbert Agnor

Mr. Herbert E. Agnor, Jr. spends the school day in his capacity as boys' counselor, for which he is well qualified. He has earned a B.S.I.E. at Virginia Polytechnic Institute and a Master's in education at Ohio University. Sponsoring Student Council, golfing, reading, singing, and bird-watching occupy his spare time.

River's skiing librarian, **Miss Patricia Armstrong,** when not charging out books or collecting fines, also enjoys reading, skating, travel, and the theatre. In the course of her education she studied at the Sorbonne in Paris. Volunteer work at Lakewood Hospital fills spare moments.

Reading, the theater, travel, and antiques are the special interests of River's new librarian and English teacher, **Mr. Robert Case.** Sponsoring the eleventh and twelfth Hi-Y helps to keep him busy. He has attended Miami University, Bowling Green, and Western Reserve.

Barb Standley, Tom Funk, Bill Strangward, Sally Pearne, Linda VanSickle, Judy Ward, and Judy Heintz play Victoire, the French equivalent of Bingo, at the French class Christmas party.



Miss Louise Beck instructs Riverites in the art of conjugating Latin verbs and mastering the genders for all nouns. Co-sponsorship of Neophyte-Thespians falls to her. Although a newcomer to RRHS, she's not a stranger to River students for she was Dean of Girls at the junior high.

"Ach Himmel" From "America est patria mea" to the Gallic Wars, **Miss Richmond** can be found expounding on the merits of Latin. Between advising the Classical Club and earning numerous degrees, she tries to find spare time in which to travel, read, garden, acquire a home, converse, write, and **think!**

Miss Louise Beck, Miss Virginia Richmond

Mrs. Sara Walther, Mrs. Ilse Raymond

"Repetez la question." **Mrs. Sara Walther** is noted for her zealous instruction in francais and her impossible vocabulary quizzes. English is her other assigned subject. She teaches elementary French classes and also finds time to read extensively, travel, and enjoy her family.

Mrs. Ilse Raymond has a very unusual background. Born in Germany, she first came to America as a foreign exchange student. Her fluency in five languages makes her the perfect sponsor for the Language Club. Spanish is her special field at River. Her hobby, in commensuration with her other talents, is Russian.

There is never a dull moment in the world history or international relations—sociology classes taught by **Mr. Roy Bullington** thanks to his keen wit and sense of humor. His extra-curricular activity consists of sponsoring Sophomore Hi-Y. He takes an active part in the government of Rocky River, his main job being the secretary of the Civil Service Commission.

Conventional myths are quickly exploded by American history teacher **Mr. William Donnelly.** Research on his book, which is to be published in 1961 in time for the centennial of the Civil War, occupies his spare time. Outside interests are classical music, hiking, and motor bikes.

Dissections in biology and problems of government in civics are taught by **Mr. David Bichsel.** He lends his support to Sophomore Hi-Y and the freshman football line. When not pursuing his favored summertime activity — that of professional playboy — he works and enjoys sports.

Mr. Roy Bullington, Mr. William Donnelly

Not only the hows but also the whys are learned in **Miss Nancy Tozer's** world and American history classes. Ninth Grade Friendship is the group to which she lends advice. Summers find her either employed at a summer camp, boning up on history, or enjoying swimming and various other sports.

Miss Nancy Tozer, Mr. Thomas Duke, Mr. David Bichsel

The "Ivy League look" is led at River High by **Mr. Thomas A. Duke.** His good-natured personality enriches his American and world history classes and Current Forum, which he sponsors. His summer job with the American Field Service provides him with many anecdotes for his classes.

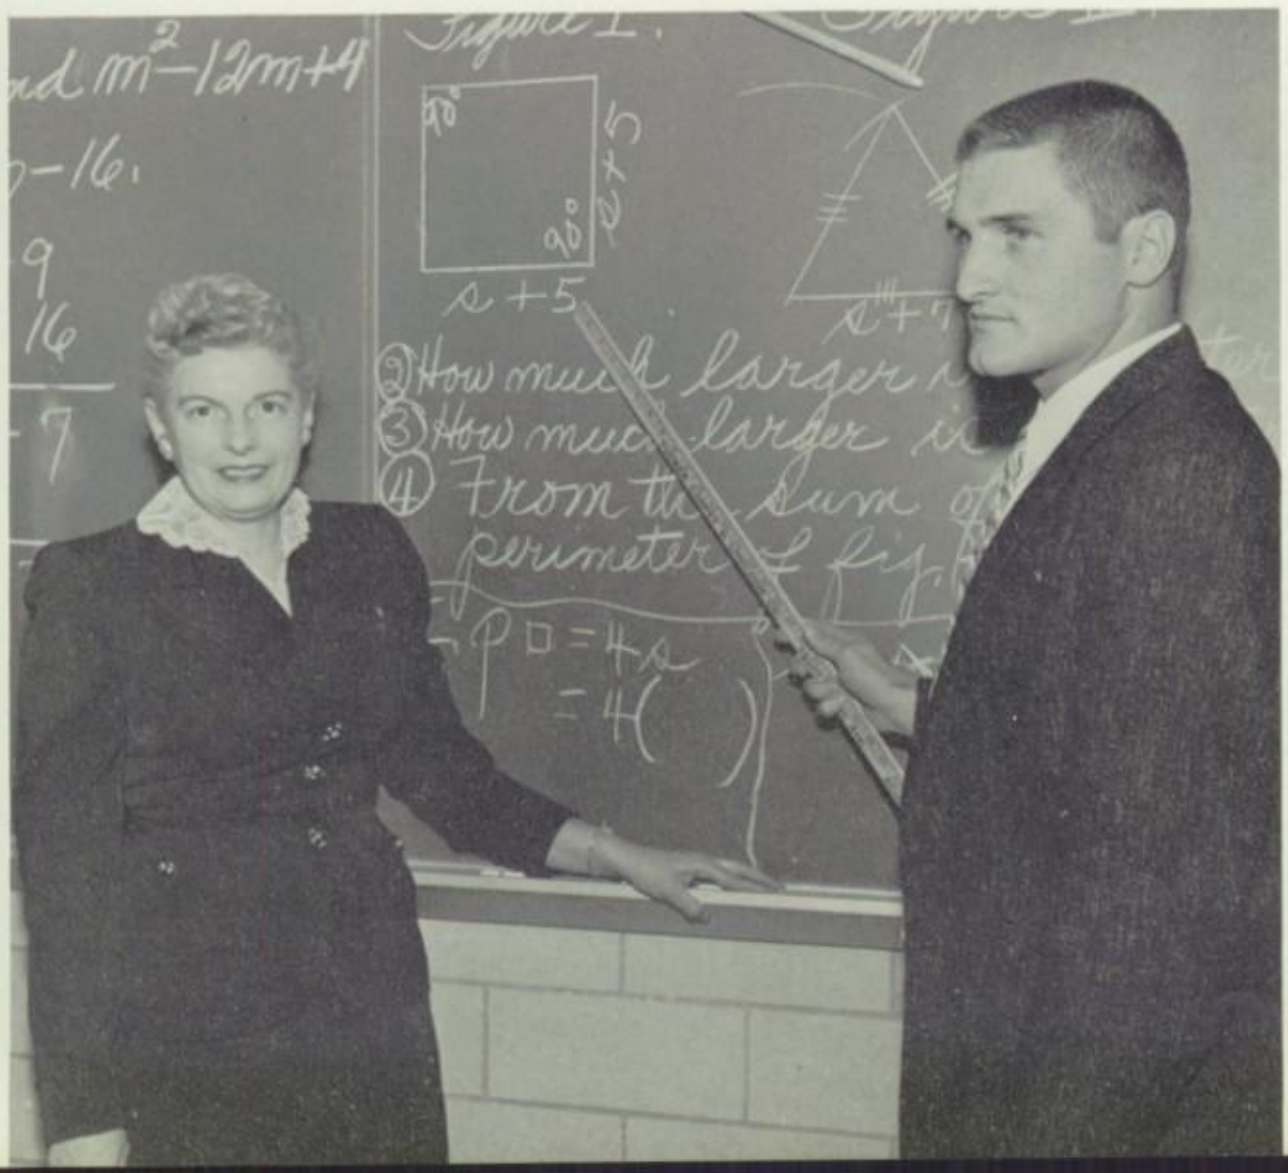
Plane geometry and drivers' education are **Mr. Vincent Gandolfi's** assigned subjects; winning the SWC football championship, his annual worry. He also sponsors Varsity R. Summers find him teaching driving or bowling. He is a graduate of Morehead College with an M.A. at Western Reserve.

A quick smile, a bow tie, and a pinch of philosophy is the recipe for River's junior and senior math teacher, **Mr. Richard B. Hoskin.** His extra duties as assistant football coach and head varsity basketball coach keep him constantly on the go. "Learn the principle, not the problem" is the homemade aphorism that he leaves with all his students. (Not a bad idea.)

Mr. Vincent Gandolfi, Mr. Richard Hoskin, Mr. Ernest Kuehls

Cross country has been added to Rocky River's sports calendar, thanks to the efforts of **Mr. Ernest A. Kuehls.** When not coaching cross country, freshman basketball, or track, he teaches Algebra I and II. During the summer, Mr. Kuehls attends summer school at Wisconsin, participates in sports, and enjoys many good books. He's the proverbial strong, silent type.

Mrs. Evelyn Nowell, Mr. Donald Chadwick



"All right, freshmen" — **Mrs. Evelyn Nowell** launches another algebra class. Co-advisor of Senior Friendship, her hobbies include travel, reading, and sewing. Besides earning an A.B. from Oberlin, she has done graduate work at OSU and Western Reserve.

General math and geometry are **Mr. Donald Chadwick's** classroom subjects; Pirate Club, wrestling, and freshman football his after school subjects. While receiving his B.S. from Baldwin Wallace, he captained both the football and wrestling teams. He also receives credit for organizing River's wrestling team and coaching it through its first season.

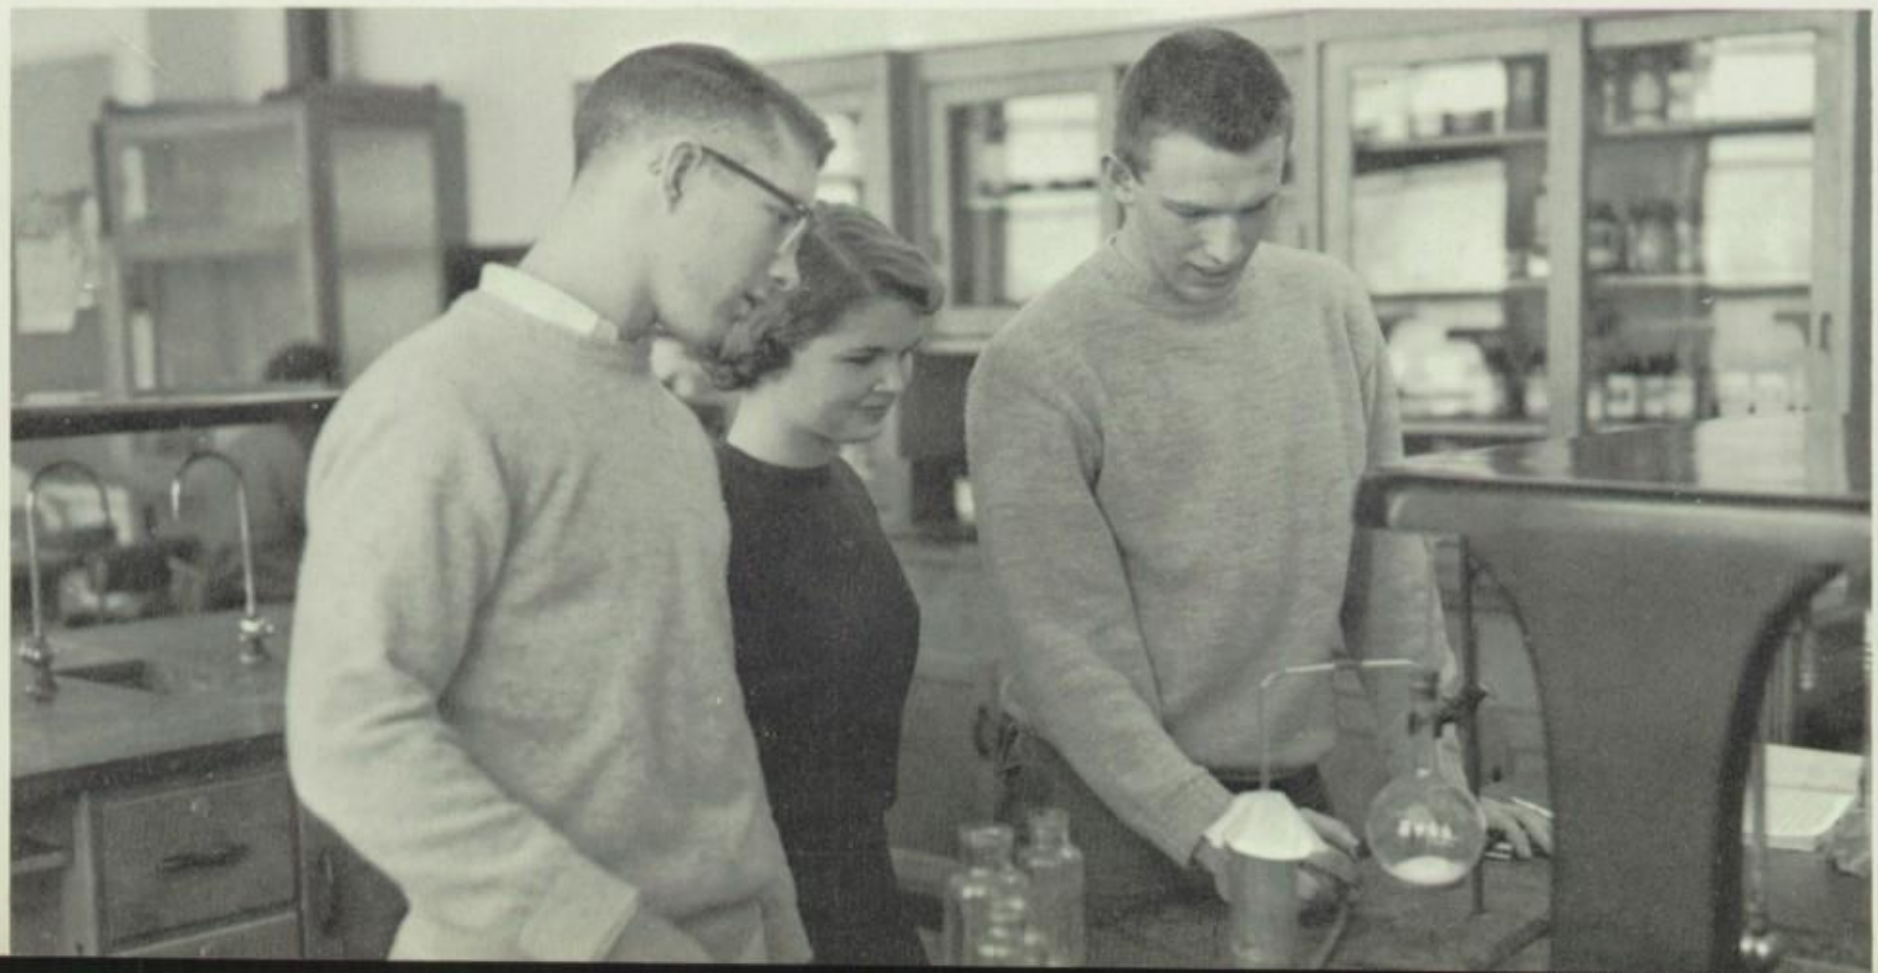
Mr. William McLaughlin, Mr. Marko Brdar, Mr. Arthur Bridenbaugh

The sciences — chemistry, physical, and general — are given thorough treatment by **Mr. Marko Brdar.** Still on this line, he advises Science Club and the Cosmic Ray group. Photography, reading, and home repairs, plus math puzzles and chess on the intellectual side, hold his attention.

Mr. Arthur Bridenbaugh's chemistry classes are marked by his patience and thorough understanding of his subject. When not acting as secretary-treasurer of the Southwestern Conference, he can be found fishing or hunting. Painting and electrical wiring are some of his summer jobs.

Mr. William McLaughlin is a newcomer to River's science department. Besides teaching physics, he sponsors the Photo Club. After school hours, he likes to relax with his family. He has a B.S. from Mount Union College and a M.A. from the University of New Mexico.

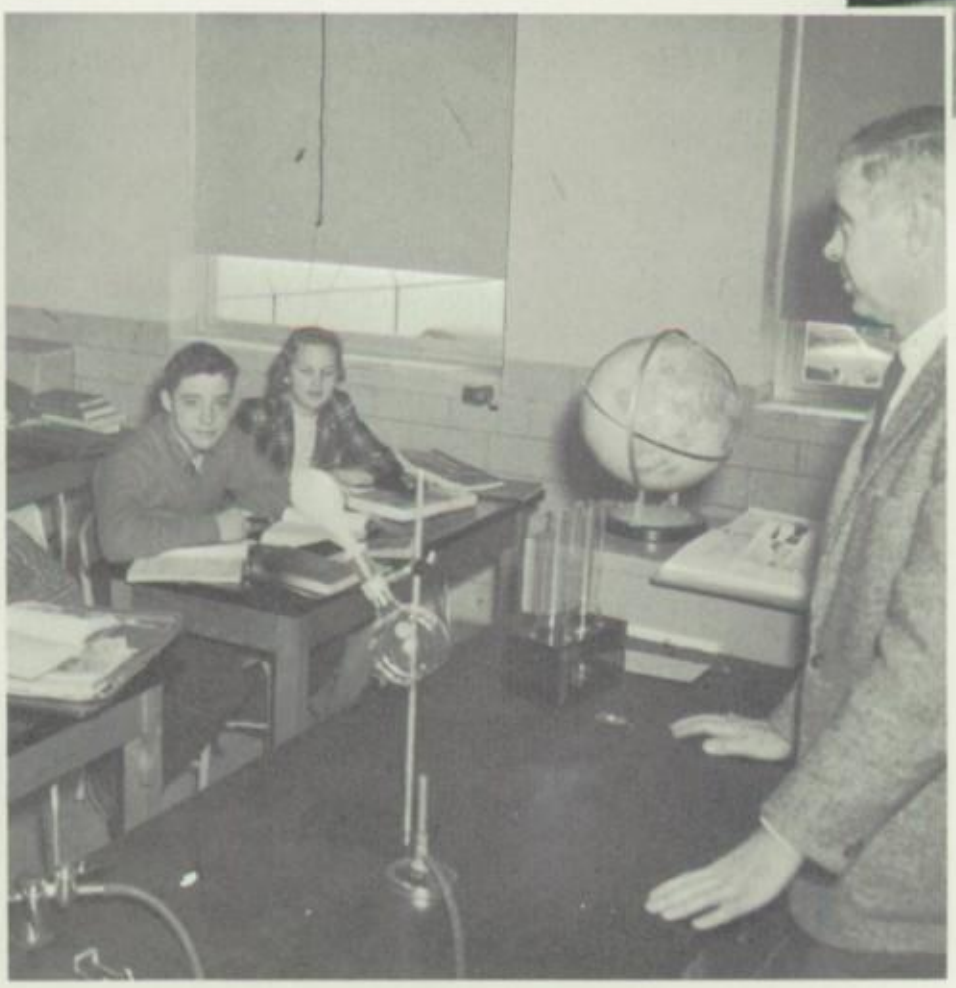
Tom Hodgson and Sue Kiefer watch as Gerry Kuechle demonstrates the lab procedure for collecting hydrogen chloride gas.



"A little recitation, please." Biology — complete with growing room, aquarium, microscopes, and numerous glass jars — is taught by **Mr. Marsdon Grubb.** He acts as sponsor for Iyaku, a club meaning "nature lover." Hiking and fishing are summer interests.

Mr. Marsdon Grubb — Mr. Randall Motts

Mr. Randall Motts instructs Gordon Myers and Kathy Stroud in general science principles.



Transplanted for the first time from the gym to the classroom, **Mr. Randall Motts** finds himself in a new position as a general science instructor. He also serves as director of audio-visual aids. He enjoys nature study, sports, and travel. In the summer he works at a boys' camp in Canada.

First period studies the secrets of microbiology.

Mr. William Hooker, Miss Goldie Strawn, Mr. Quinton Morris.

Mr. William B. Hooker, besides sponsoring the senior class and acting as athletics manager, teaches selling, law, bookkeeping, and typing. His friendly manner makes him popular with students. Summer activities are varied, with the emphasis on fishing and bowling.

In addition to teaching shorthand, typing, and office practice work, **Miss Goldie Strawn** finds time to help the production staff in cutting stencils and mimeographing and to furnish typists for the Riverlet. She earned her master's degree from Ohio University.

Mr. Quinton Morris is the new typing teacher at River High. Being strictly a family man, he spends his spare time working on his home. He also enjoys bridge and music. He has earned a B.S. from Kent State University and an M.A. from Western Reserve. He's the man at the mike during football and basketball games.

Joanne Peters takes dictation in office practice class.

First year typing class concentrate as they start on a new unit of work.

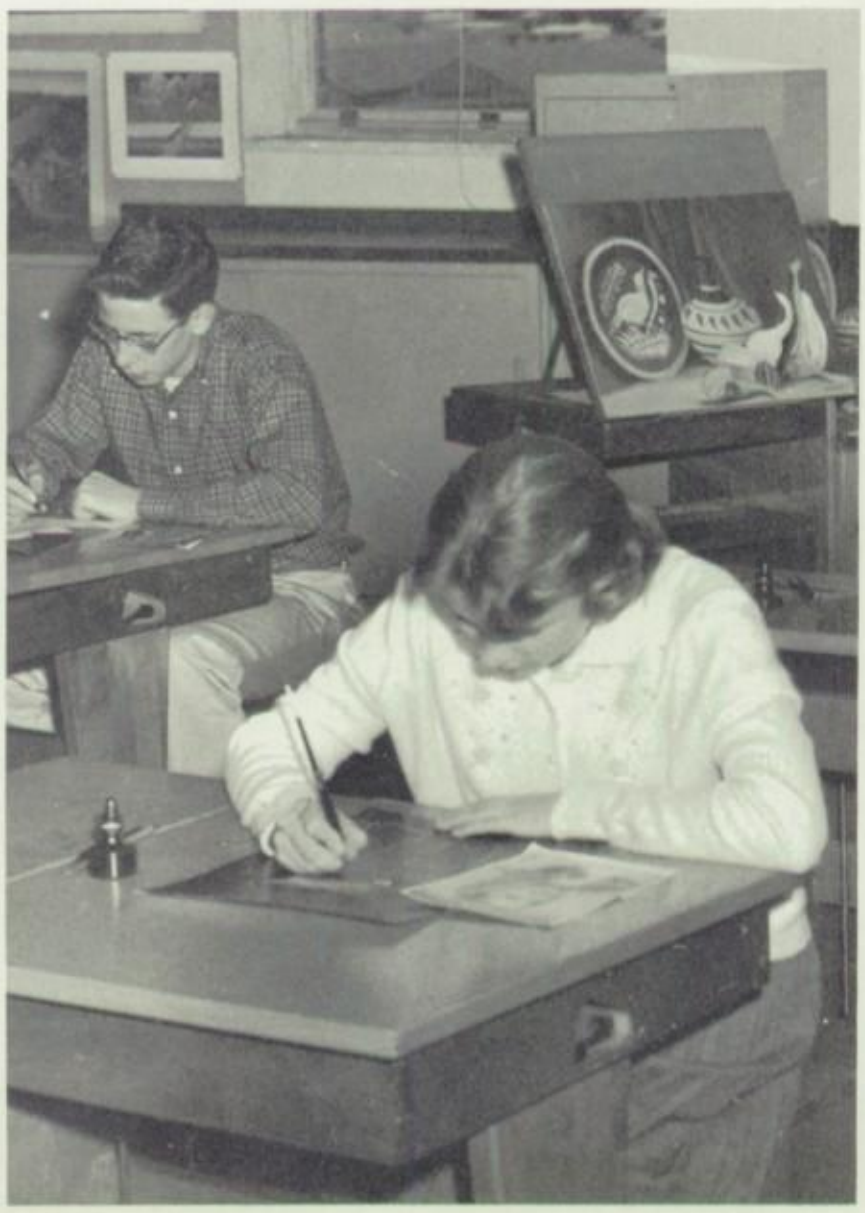
Miss Delphine Whaling is River's home economics teacher, eleventh and twelfth Friendship adviser, and shortest member of the faculty. Most of her spare time is used to try out some new recipe or to whip up a new outfit. In the summer, she and her cohorts travel. Always starts every sentence with "Now, girls . . ."

All phases of art are ably taught by **Miss Bernice Summer.** While studying at Heidelberg, Western Reserve University, and the Cleveland Institute of Art, she earned a special Art Diploma. Exhibits, lectures, photography, and music are salient outside interests. During the summer she engages in study or travel.

Miss Delphine Whaling, Miss Bernice Summer.

Binnie Bittel models the formal she made in home ec while Jan Brown inspects the hem.

Tom Stanley and Marilyn Hoy complete varied art projects.



Mr. Donald Kelly, Mr. Donald Nichols

Teaching boys' health and physical education classes, taking charge of boys' intramurals and coaching the JV's in basketball keep **Mr. Donald Nichols** busy during the school year. He works for General Motors from June to September and participates in tennis and bowling for relaxation.

"At-ten-shun!" When not directing the boys in various gym drills and exercises, **Mr. Donald Kelly** can be found teaching world history. Assisting in the parking lot brings him to school early while coaching keeps him here late. He is one of the three teachers at River who became fathers of three male progeny during a three week period.

From calisthenics to test tubes, **Miss Gail Boyd** is kept busy commuting from the gym to the general science room. After school one may find her instructing the freshman cheerleaders in a new yell or seeing that intramural games start on time. Sports and work — admitting patients and running the switchboard in a hospital — fill summer hours.

"Stretch, touch those toes." **Miss Christine Baumgardner** is kept after school nearly everyday with her duties as supervisor of intramurals, Leaders' Club, and cheerleaders. During the school day her time is filled instructing girls "how to play the game" and in the art of good sportsmanship. She is affectionately known as Miss "B."

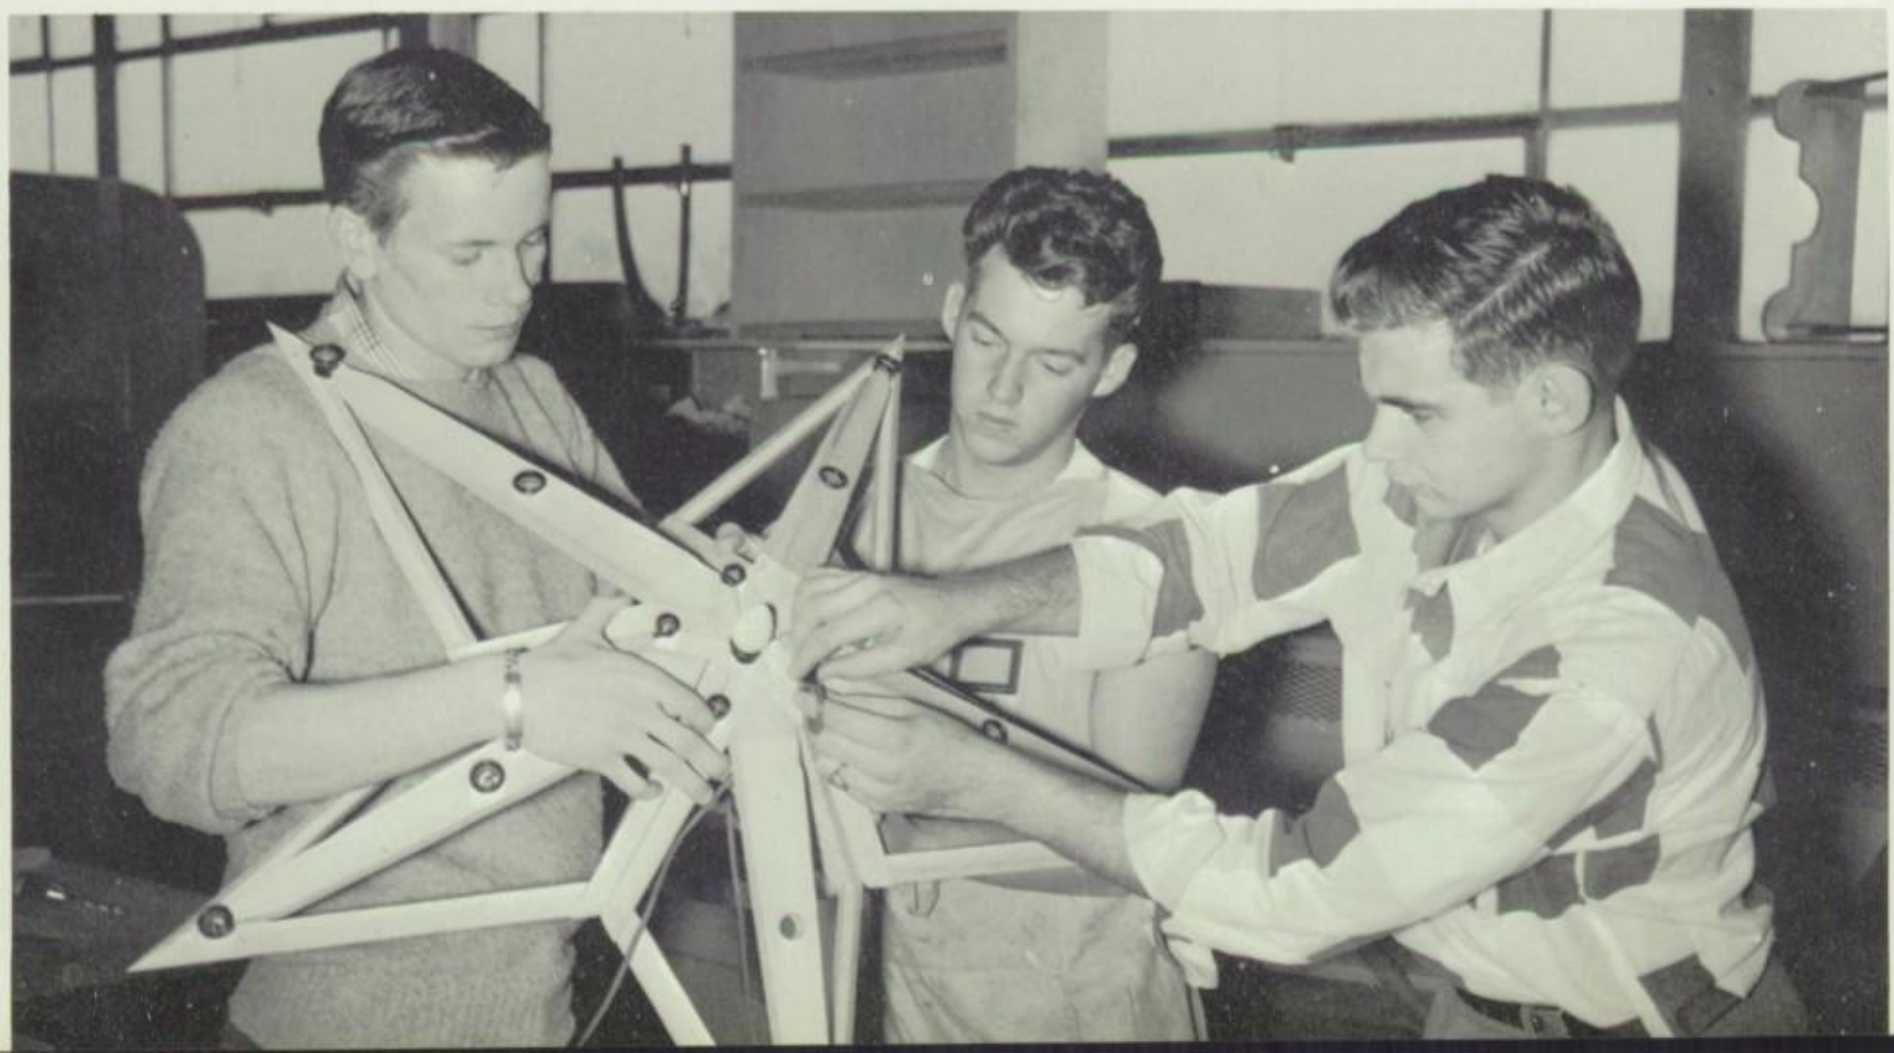
Miss Gail Boyd, Miss Christine Baumgardner

Mechanical drawing and general shop are ably taught by **Mr. Paul Crites.** The huge star decorating the Wagar entrance at Christmas time was constructed in his classes. He very willingly gives assistance to dance committees. Shopcraft Club is his extra-curricular activity; fishing and gardening his recreational activities.

Teaching shop and mechanical drawing and acquiring female fans are **Mr. Donald Frail's** school activities. After 3:30 he may be found advising Pirate Club, coaching the football ends, and guiding River's thinclads to numerous championships. Summers are spent in camp counseling and participating actively in sports.

Mr. Donald Frail, Mr. Paul Crites

Bob Thomas, Jerry Crawford, and Ron Cansky work on Christmas decorations in shop class.



Mr. Harlan Thomas, Mr. Clarke Whinery

"Go River, Beat Medina!" What's this? A sports-minded choir director? **Mr. J. Clarke Whinery,** in addition to cheering on the team, often peps up the choir with his familiar "Come on, you guys, sing!" His active interest in many sports and his down-to-earth personality have made him extremely popular with RRHS students.

Wherever **Mr. Harlan Thomas** is found, there's also music. During school hours he's concerned with band, orchestra, Music Appreciation, and Velvetones; and, during football season, half-time shows. When not tuning pianos or playing in the Lakewood Symphonic Band, Mr. T. is also a do-it-yourself fiend.

Counting pennies in her capacity as school treasurer and doling out tablets and pencils at the supply room are some of the duties of **Mrs. Vera Sinnott.** Summers find her still acting as secretary ar RRHS. She has a mania for Japanese dwarf culture of plants and African violets.

New to the secretarial staff this year is **Mrs. Theresa Fischer** who operates the switchboard, keeps attendance records, makes change, hands out keys, etc., etc. Spare time finds her gardening and enjoying picnics and outings with her children.

Former girl-Friday, **Mrs. Ada Edmunds** finds herself acting in a new capacity this year as Mr. Cawrse's private secretary. When not "just loafing," she swims, takes short trips, bowls, and takes a lively interest in her two daughters.

Mrs. Ada Edmunds, Mrs. Vera Sinnott, Mrs. Theresa Fischer

CAFETERIA STAFF

Mrs. Louise Swaysland, Mrs. Pearl Richard, Mrs. Mary Pugh, Mrs. Peg Urban, Mrs. Helen Quinn, Mrs. Bernice Lowe, and Mrs. Evelyn Flora.

Two members of the custodial staff work on an annual project — refinishing desk tops.

Mr. Ed Flora, Mr. Howard Nash, Mr. Leo Mackey, Mr. Joe Krych, Mr. Carl Gardner, Mr. Pete Ungard, and Mr. Norman Youngans.

NATIONAL HONOR SOCIETY

New member, Vance Carter, signs the Honor Society Register, as President Tom Hodgson looks on.

Membership in the National Honor Society represents to the student at Rocky River, the attainment of one of the schools highest awards. To qualify for the National Honor Society a student must rank in the upper third of his class and maintain a high degree of leadership, scholarship, character, and service.

On this basis, five per cent of the junior class and ten per cent of the senior class are selected for membership each year. In the annual Honor Society Assembly, held February 17, nineteen seniors and twelve juniors were inducted into the organization. The guest speaker, Mr. Earl Bohn, talker on the four requisites for membership in the society and their importance in the world today.

This year's officers were: president, Tom Hodgson; vice-president, Jerilyn Payne; Secretary, Barb La Salle; and treasurer, Dave Black.

QUILL AND SCROLL

Quill and Scroll, the International Honorary Society for High School Journalists, was organized April 10, 1926, by a group of high school advisers for the purpose of encouraging and rewarding individual student achievement in journalism and school publications. The Society has always taken an active part in raising standards in this field and in directing the course of high school journalism.

Since its organization, Quill and Scroll has granted charters to over seven thousand high schools. Active chapters are located in both private and public high schools in every state of the Union, the Phillipines, and a dozen foreign countries. Rocky River received its charter in January, 1952.

There are several requirements for membership in Quill and Scroll. One must be a junior or senior and rank in the upper third of his class scholastically. He must have done superior work in some phase of journalism or school publications work, such as writing, editing, business management, or production. He must be recommended by the adviser of the publication and then approved by the Executive Secretary of the Society.

Members are selected by Mr. Robert Payne and Mr. Charles Shelton, Hi-Tide and Riverlet advisers respectively. Induction ceremonies are held at a formal dinner meeting.

Vance Carter, Tom Hodgson, Barb LaSalle, and Gerry Kuechle plan Quill and Scroll initiation banquet.

The Sophomore Friendship Club, under the direction of Miss Armstrong, started off the year with Mrs. A. C. Foster's lecture on the Holy Land. Other programs included a Judo demonstration, a combined Christmas party with the Sophomore Hi-Y, and a lecture on India. Service projects were hospital tray favors for Halloween, place mats for Easter, a Christmas party at the Berea Children's Home, and the adoption of a Ninety-eight year old grandmother. The year was completed by an overnight sponsored by the Y.W.C.A.

Freshman Friendship's sponsors, Miss Mitchell and Miss Tozer, and the officers decided to devote one meeting each month entirely to working on service projects and the other meeting to some form of entertainment for the members. Service projects included making favors for the County Nursing Home for Thanksgiving, the combined efforts of the three Friendship clubs on the Garret Shop project, making joke books for City Hospital and place mats for Easter. Entertainment was provided by speakers from Puerto Rico and Malaya, an interesting movie on racial problems, and a skating party.

THESPIANS

With the guidance of Miss Edith White and Miss Louise Beck, River's Neophyte-Thespian troupe completed a very successful season.

Members of the club rollicked through two one-act plays each meeting, enjoying themselves while earning points.

A memorable event in the annals of the orgainzation was the presentation of the one-act play, "How to Propose." Shari Smith and Ken Letson, portraying the earliest forms of man, chased each other around the stage brandishing clubs and grunting sweet nothings. This and many other plays directed by Miss Beck were excellent studies in cooperation and memorization.

The highpoint of the year was the fall play, "Daddy Longlegs." Jeff Dawson ably performed the title role and Barbara Sims took the female lead. There were comparatively few mishaps and the result of the months of work was a great success.

A new constitution, prepared by this year's troupe, has paved the way for next year's club. This new constitution decreases membership and increases points necessary for admittance to Thespians and Honor Thespians. The revisions will strengthen competition and will stir up a more active interest around school.

Fiery words are exchanged in an emotional scene from "Daddy Longlegs." Roger Neiswander, Barb Sims, Mary Lucas, Jeff Dawson, and Dick Spayde.

Dramatics Unlimited is a new club for ninth and tenth graders who are interested in dramatics. The meetings are held every other week and short plays, monologues, and skits are presented. The club presented a number of plays this year under the direction of our two sponsors, Mrs. Howe and Miss Botten. A few of the plays that were presented this year were, "Antic Spring," "Chapeau Chic," "Who Says Can't," and "The Dance," which was written by one of the members. This club gives the opportunity to its members to choose the committees on which they would like to work. Some of the committees are, Stagecrew, Make-up, Costuming, Directing, Dramatic skits and readings, Writing plays and Acting.

Iyaku is an organization of scientifically-minded sophomores and juniors. Under the direction of Mr. Grubb, the group took several field trips and heard some very interesting lectures by prominent speakers.

Among the speakers were Mr. Daniel Williams from N.A.S.A. who spoke on skin-diving and Mr. Mitchell Darling who spoke on the experiences he has encountered since losing his sight.

The group took several field trips in the Rocky River Metropolitan Park, visited the Cleveland Health Museum, and concluded its season with a picnic and softball game held on the school athletic field.

The Ninth-Grade Science Club is an organization for freshmen interested in science. Under the direction of Mr. Brdar, the group performed an experiment in measurement by determining the height of the school chimney by three different methods and watched a cosmic ray recorder in action.

The officers of the Ninth-Grade Science Sanders; Vice-President, Tom Black; Secretary, Barbara Standley; and Treasurer, Gary Price.

The officers of the Ninth-Grade Science Club were: James Barron, President; and Odin Hovde, Vice-President.

Through Student Council, students have a voice in governing their school. Representatives from each homeroom and members-at-large meet every two weeks with faculty advisers — Miss Frances McKee, Mr. Herbert Agnor, and Miss Dorothy Gray — to share their ideas on school affairs.

This year Council has continued its record of service and leadership in every phase of school life. There are eleven committees which help carry out the work: assembly, building and grounds, recreation, hall monitors, finance, service, publicity, cafeteria, membership, student government, and safety.

All money raising projects, such as tax stamp and bottle drives and paper sales, are sponsored by Council. The income from these projects was used for the foreign exchange program, canteens, school service, assemblies, and an all-star show, at which Bill Randle of WERE was master of ceremonies.

An important innovation to our school this year was the foreign exchange program. Gisela Heuser of Minden, Germany, was the first student to come to Rocky River High and John Sanders will be our first representative to Europe as an exchange student.

RIVERLET

"Next week we've got to get organized." So goes the motto of the Riverlet staff. Amidst a great amount of turmoil of photos, 3-R forms, club copy, senior write-ups, bills, checks, and faculty, student and patron lists, in a closet sized cubicle, progress miraculously oges on in an attempt to meet the deadline on the "59" Riverlet.

The 70 piece Rocky River High School Band made its first appearance of 1958 at the football game against Brooklyn. It then accompanied the team throughout the entire football season and made a triumphal finish at the Medina game. Members of the band were happy to be wearing their overcoats purchased by the Booster Club and appreciated the dinner before the Medina game.

The band is kept busy throughout the year by playing at pep assemblies, and all-school assemblies at the high school and at the junior high. Special activities of the concert season consisted of a combined Rocky River and Bay Village concert, a community concert and a Memorial Day program.

Under the able direction of Mr. Harlan Thomas the band has well earned the reputation of playing good music well.

"Small but mighty." That's the Rocky River High School choir. Another phrase that should be applied to it is "small but busy," because that they really were.

The choir's first program was given on October 31. In this program they sang "Beyond the Blue Horizon" and, in keeping with the day, a song called "Spooky Boogie." While singing this, the choir wore white masks. These masks along with the blue lights combined to make an effect very suitable for Halloween. At the end of the number Mr. Whinery, the choir director, turned around and surprised the audience with his ghastly mask. Next the choir sang for the annual Thanksgiving assembly on November 26th. On December 10th, the choir was invited by the Beachcliff Women's Club to sing for their Christmas meeting at Memorial Hall. The following two programs were very close together. The first was on December 16th when they sang Christmas carols at Halles. The second, on December 17, was given at the Junior High School. The next program, given on December 19th, was the Christmas assembly, and it included a twenty minute cantata entitled "The Song of Christmas." Highlights of the remainder of the year are the Spring Concert and Baccalaureate.

Good morning . . . Feel like singing? . . . Who, me? . . . I guess so . . . I can't even talk . . . You get the music . . . But it's your turn . . . I got it yesterday . . . Are we singing **that** again? . . . I can't find it . . . But, Mr. Whinery, we don't have the last page . . . Where is the alto part? . . . We're singing, you just can't hear us . . . Who's flat in the soprano section? . . . That was your solo . . . Oh, I forgot . . . Get into our robes now? . . . We've got lots of time . . . But that's my robe . . . I thought 74 was my number . . . Not any more, it isn't . . . Oh! . . . The collar goes the other way . . . How was I supposed to know? . . . Hurry up . . . I forgot my shoes . . . Borrow mine . . . Nervous? . . . Me? . . . It's only a short solo . . . Not short enough . . . Remember when you get out there . . . Remember what? . . . Smile!

McElroy starts a T.D. run against Medina.

Team spirit and desire along with the fine coaching were the ingredients the 1958-1959 Pirates put into the season to come up with the Southwestern Conference Championship. Tremendous student support helped the team finish the season with five straight wins to end with a 7—1 win-loss record.

The co-captains Tom Hodgson and Jack Onder led the River squad in the games and on the practice field. The brains and the boost behind the team were head coach, Mr. Vincent Gandolfi, and his assistant coaches, Mr. Richard Hoskin and Mr. Donald Frail. Coach Gandolfi displayed a new, unbalanced T-offense in his third championship season, out of the last four years.

River coasted to an easy 55 to 6 victory over Brooklyn in the first game of the season.

In the first conference game, the Pirates overpowered the highly rated Westlake Demons 24—16. River trailed at the first half 16—12, with the scoring done by Bill Napier and Larry Weber. The Pirates contained the Demons in the second half and clinched the victory with touchdown by Jack Dow and Spence Galland.

The overconfident River 11 was upset by the fired-up Bay Rockets in their first away game of the season. The Pirates took an early 14 points lead with tallies by Mike McElroy and Jack Dow, but it was not enough to submerge the determined Bay Gridders, who came back in the second half to win 16—14.

The Fairview Warriors were the unhappy victims of a vengeful River team as they bowed 31—12 to the Pirates. Jack Dow's two touchdowns and Jack Onder's two T.D. passes to Bob Thomas accounted for River's points.

The River 11 shut-out Olmsted Falls 15—0 for their fourth victory of the season. The Pirates made up for a scoreless first half with T.D.'s by Bill Napier and Jack Dow.

North Olmsted fell to River 14—6 in the last home game of the season. Touchdowns by Jack Onder and Bob Thomas, on a pass from Jack Onder, plus a safety made by Jack Roxey accounted for the score.

J. Dow carries ball against Medina

An 8—0 victory over the defending champions and former first place. Oberlin Indians put the Pirates one half game into first place. The only touchdown was scored by Jack Himebaugh who snared a pass from a defender's fingertips and scored. The other two points were made by a safety after Tom Moir blocked a punt deep in Oberlin territory.

In the final game of the season the River backfield, sparkled by Mike McElroy, piled up its second highest point total, to defeat Medina 51—12 and clinch the title.

Several River gridders received honors from the Cleveland papers during the season. Tackle Jim Lambert make both the Cleveland Press "Press Stars" and the Cleveland News "Dream Team," End Jack Roxey was chosen member of the "Dream Team" and awarded honorable mention in "Press Stars." Jack Onder made the "Dream Team' at quarterback position, and halfbacks Mike McElroy and Jack Dow made honorable mention "Press Star" and Dream Team," respectively. Five Pirates, Tom Hodgson, Jack Roxey, Jim Lambert, Jack Onder, and Jack Dow made the all-conference team and Spence Galland received an honorable mention. Quarterback, Jack Onder and tackle, Jim Lambert, were chosen to play in the second annual East-West game for the West team, which was coached this year by Mr. Gandolfi.

JUNIOR VARSITY

Rocky River's Junior Varsity football squad, headed this year by Mr. Donald Kelly in his first year at River, compiled a record of two wins, three losses, and one tie. Coach Kelly feels that the boys benefited greatly from the experiences of their six encounters and is optimistic about their future.

The first game of the season was a resounding win over Brooklyn. The Pirate's four touchdowns were too much for the Hurricanes who fell 30—6.

On September 23, the J.V.'s were beaten by a Parma fourth quarter rally 36—16 after River had evened the score at the end of 3 quarters 16—16. The next outing of the junior Pirates was more successful, however, as they stunned Fairview 14—6.

The last two games of the year were losing ones for the junior varsity. North Olmsted completed a 60 yard pass to surprise River 14—6. In the final game, River dropped a 36—14 decision at the hands of a strong Elyria team.

FRESHMAN FOOTBALL

In the annual football assembly held in November, Mr. David Bichsel and Mr. Donald Chadwick, coaches of the Freshmen football squad and newcomers this year to River, cited the team as one with plenty of spirit and teamwork. The season record proved them to be correct for the freshman Pirates finished up the year with a respectable mark of three wins and two losses.

The freshmen defeated Westlake 8—0 in their first game of organized football on September 24. In the second game, the ninth grade Pirates were leveled by Fairview 13—6.

The next outing, the team rebounded from the previous loss with a 28—0 white-wash of arch rival, Bay Village, and soon after, continued on their winning ways by defeating Olmsted Falls 12—8.

The final game was a heart-breaker for the freshman Pirates who, despite playing a hard-fought contest, found themselves two points short of North Olmsted 16—14.

VARSITY BASKETBALL

Mr. Richard Hoskin, in his debut as varsity coach, piloted his 1958-59 Pirates cagers to a 6—8 conference mark, worthy of fifth place, and a 9—10 overall docket. After just a mediocre season, the Pirates became the surprise club of the Berea District Tournaments.

On the B-W hardwood, River clobbered Strongsville (74—31) and turned the tables on West Tech (46—45), who earlier had defeated top-seeded John Marshall. Next in line was Berea. In a see-saw battle that wasn't decided until the closing seconds of an overtime session, River emerged on the short end, 52—51. These efforts proved to be the closest River has come to Columbus in recent years.

During the heated Southwestern Conference competition, River scored double triumphs over Fairview and Olmsted Falls, while falling twice to second-place North Olmsted, a fired-up Westlake crew, and the powerful Bay Rockets, who walked away with the crown. The Pirates halved the Oberlin and the Medina series.

Ten juniors copped a berth on the varsity team as only three seniors (Tim Irvin, Jack Onder, and Spence Galland) returned for action.

At times, out-manned and out-classed, yet never out-spirited, the River cagers provided innumerable thrills and chills which are still firmly entrenched in many River rooter' minds. For example, take the first Olmsted Falls game, either Westlake game, or the final Overlin, Bay or Medina episodes. It would be equally hard to forget that West Tech skirmish or the memorable Berea contest, which left so many Riverites voiceless.

Onder led in the individual scoring department, while the Pirates valuable center Dave Rule was selected to the Berea District Tournament second line team, and likewise notched a spot on the second string S.W.C. five.

If figures satisfy your fancy, River tallied a total of 949 points (373 field goals and 203 free throws) compared to their opponents 948. The team, as a whole, hit on 373 of 1131 shots or 32.9 percent.

J. V. BASKETBALL

The 1958-1959 Maroon and White junior varsity, understudy to the "veterans" of varsity fame, and headed by Mr. Donald Nichols, went into the records with a season mark of 6—10.

Though probably not the most glittering, star-studded group of cagers in the junior circuit, these J.V.'s fought a tough battle in every game.

Mr. Nichols aptly stated, "If desire alone would have won us games, we would have been at the top of the list — unbeatable."

Center Jim Weston, who was up for a short tenure with the varsity, paced the J.V. offense with an output of 192 points (73 field goals and 46 free throws). Weston hit on a torrid 40% of his fielders.

A total of seven boys received letters.

The freshman basketball team, playing its inaugural year on RRHS hardwood, had a somewhat unfruitful season, displaying a 2—8 record.

Their only two ventures that turned out profitable were against the Fairview five, a 29—27, squeaker, and a more decisive 39—28 win over Olmsted Falls. Mr. Ernest Kuehls, a newcomer to the basketball phase of athletics at Rocky River, headed the freshmen.

Statistics wise, lanky Norman Beres pulled in 45 rebounds; Beres, who tallied on 37 per cent of his field goals, also led the club in that department. Blair McNeill took free throw accuracy honors, hitting on 59 per cent.

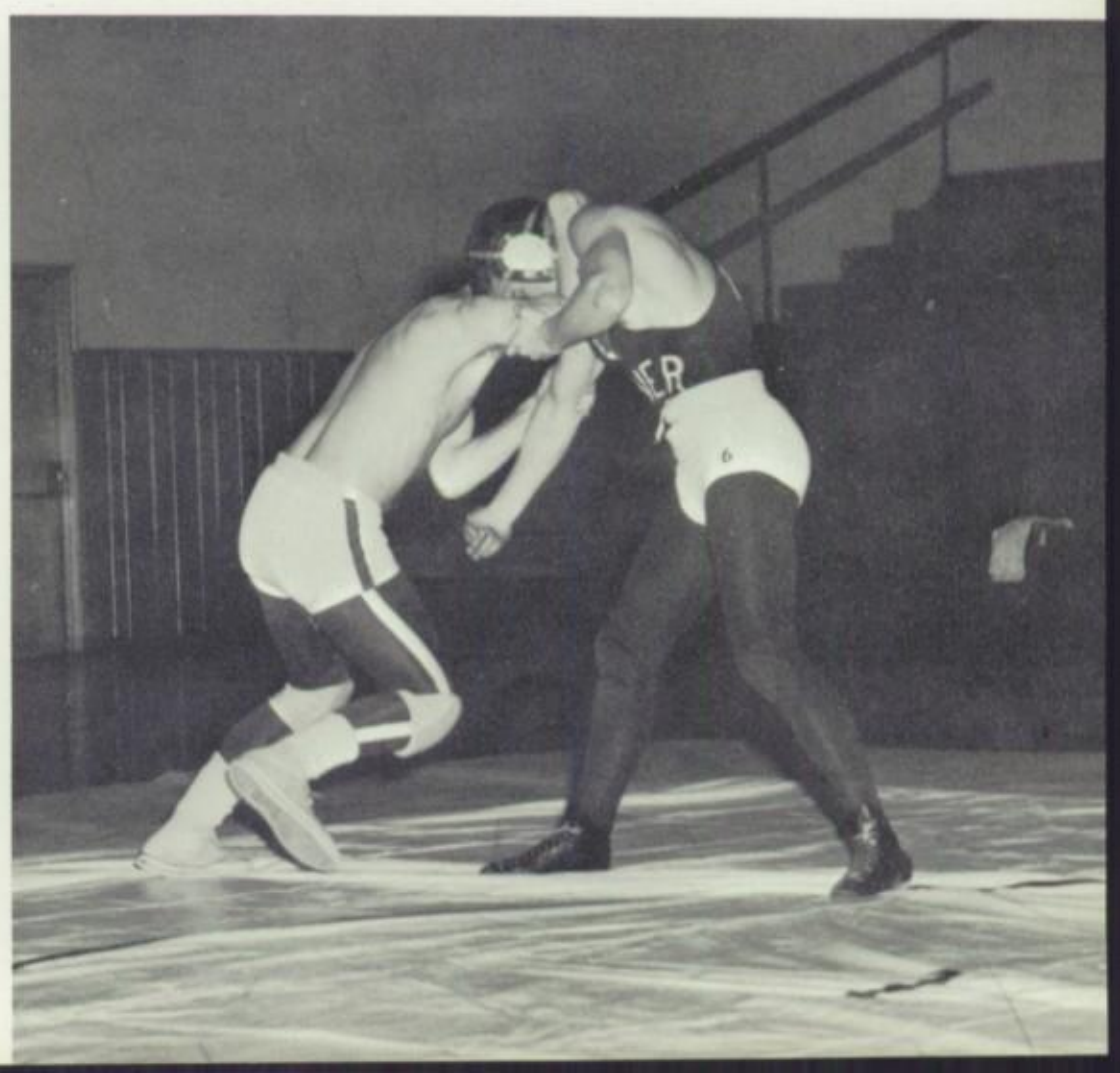
Bill Napier grapples with Medina matman



Wrestling was included in River's sports line for the first time this year. Coached by Donald Chadwick, the team took on eight different schools and finished with a five win, five loss, one tie record.

The highlight of the season was the Rocky River Quadrangular Meet in which River's matmen played host to Brecksville, Medina, and Rhodes. The Pirates emerged victors with 82 points compared respectively to the 81, 69, and 61 totals of the others.

Co-captains were Rog DeBard and Ted Freshwater. DeBard scored 38 points in 11 bouts to lead the team in scoring. Bill Napier ranked second with 36, and Freshwater was third with 35. Letters were awarded to 14 scufflers, seven of whom will return next year with 22 other members of the squad.

VARSITY TRACK

The 1959 Rocky River Track season saw many spectacular and record-breaking performances by individuals and the team as a whole. Coaches Donald Frail and Ernest Kuehls worked the thinclads through their paces to seven new school records. The cinders flew as River precedented team soared to first places at the Mentor Conference and District Meets. Although the River cindermen only captured a third place at the John Adams Relays, it was actually one of their top performances based on the strength of their opposition. Bill Napier, River's muscleman, turned in his usual sparkling showing by scoring thirty-two points to set a record high for individual scoring.

Eleven graduating lettermen provided the backbone for River's squad. These included: Vance Carter and Jerry Boylan in the 440 yard dash; Ken and Ted Freshwater and Bill Koenig in the sprints; Bob Thomas and Steve Willey in the hurdles; Bob Tarkany in the distances; and John Carey and Bill Napier in the field events.

The first new sport to be introduced to RRHS this year was cross country, a track covering a total of 2⅛ miles over unlevel ground.

Bob Tarkany, Coach Ernest Kuehls' fleetest long distance runner, placed second in the meet againts West Tech, the 1957 Ohio Cross Country Champions, with a time of 10:39.5 min.

Tarkany was again first to crack the ribbon, this time in the Berea and Rhodes meets. In the Adams-Lakewood-River gathering at Edgewater Park, Tarkany placed third. Against West High River placed five of its Pirates among the top ten finishers. The Marshall-Brooklyn-River triangular in Metropolitan Park saw Tarkany cop a first with Vance Carter right behind. Six Pirates ranked in the first seven in the contest with Elyria, River's only home meet.

Matched against a field of thirteen competing teams in the District meet, River notched seventh place. Tarkany and Carter finished sixth and seventh respectively. Both Tarkany and Carter qualified for the individual state finals held at Ohio State University golf course. In the state finals, Tarkany wound up seventh with a clocking of 10:17, four seconds better than the 1957 winning time. Carter placed 34th with a time only 20 seconds off Tarkany's.

Tarkany, Carter, Greg Campbell, Lynn Bittel, and Jim Napier boast varsity letters for their commendable efforts.

Bob Thomas modifies the old adage with both feet forward.

Dennis Carter easily clears the bar in an attempt to bring home more points for River.

FRONT ROW: T. Williams, J. Millif, D. VanFleet, R. Mone, B. DeBard. **SECOND ROW:** J. Lowey, G. Myers, J. Harris, E. Mauer. **THIRD ROW:** J. Barron, N. Beres, G. Purdy, T. Weston, D. Dykstra.

FRESHMAN TRACK TEAM

Competing in its first year at the high school the Freshman Track squad registered a successful season and a third in the conference. The track squad placed second in all three of its triangular meets and won two of three dual meets.

Mr. Bichsel declared that, "Any time you bat over 500% for a season, I consider that a good year. We had a small team in number, but a willing group of boys who worked hard."

Eric Mauer was high with points for the year and broke the old record in the 440 yard dash of 57.1, with a time of 56.6.

GOLF TEAM

Near the brink of disaster during the first segment of the season, the new Pirate golf team tied its loose ends together and made amends for its earlier shortcomings.

Sponsor Quinton Morris's quartet received its first sniff of tournament competition against Medina and returned home with an abortive debut.

River halved the Median, Fairview, Berea, and Parma matches but suffered double defeat to Lakewood, who emerged as champions of the whole affair.

River's prodigy Dave Hill, seemingly inured to shooting such noteworthy rounds as a 78 against Parma and his 79 against Medina, was the Pirates' top scorer with 49 markers.

A superficial check of the season record might tend to make one believe that what River had to proffer was an impotent, inexperienced crew of golfers. Inexperienced? Yes. Impotent? No. As the season progressed the Pirates came to whet their knives and became a team to both fear and respect.

Receivers of letters were Dave Hill, Jim Kelley, George Fedorka, Bob Gillespie, and Chuck Grossman. Certificate recipients for commendable efforts were Carl Steiss and Dave Black.

FRONT ROW: J. Kelly, C. Grossman, R. Gillespie. **SECOND ROW:** D. Black, C. Steiss, D. Hill.

BASEBALL

FRONT ROW (L. to R.): T. Cawrse (Mgr.), B. Dettlbach, T. Irvin, N. Dentzer, J. McNeill, M. Jozefov, F. Atkinson. **SECOND ROW:** C. Stofer, J. Winton, N. Allmen, J. Dow, B. Killius, T. McNabb, J. Jontzen (Mgr.) **THIRD ROW:** F. Huck, K. Letson, J. Onder, T. Moir, T. Hodgson, J. Hill.

The retirement of Mr. Roy Bullington as head baseball coach ended an era of Rocky River baseball. But right where this period seemed to end a new one began under coach Donald Kelly. The squad upheld the excellent record compiled in the past.

The Pirates started the season with only five returning lettermen. This comparative inexperience was not noticeable in their first victory of the year. Veteran hurler Tom Moir pitched the first no-hit victory of his high school career which was enough to beat Lorain.

Moir repeated his first pitching performance when he pitched a no-hit game against Westlake. This victory enabled the Pirates to enter the District Playoffs, where they met Burton in the first game. The excellent two-hit pitching by John Winton was nullified by errors in the outfield in the last inning which led to two unearned Burton runs and victory over the Pirates.

One of the outstanding games of the year was against Parma. Losing the first game to Parma 6—4, the Pirates came back the next week to win 3—2. Combining another fine pitching performance by Moir and errorless fielding by the rest of the team, River was able to squeeze

out a thrilling victory.

Three of the senior lettermen, Tom Moir, Tom Hodgson, and Jack Onder were chosen as co-captains of this year's team. Also, three players were selected by the district baseball coaches to participate in the East-West All-Star Game which will be played this summer.

Even though the vacancies left by these three will be hard to fill, next year's team will have an advantage of seven returning lettermen including John Hill, Jack Dow, and Bill Killius who made up part of the Pirate infield. Another bright spot in next year's hopes in John Winton, who will be pitching for his third straight year for the varsity.

J. V. BASEBALL

Junior Varsity baseball was again introduced to the high school after an absence of eleven years. The squad was made up of sophomores and any freshmen who were good enough to play regularly. Playing only three of their scheduled games, the J.V.'s won one game while losing two, all of them one-hit efforts by pitcher Lyle Westerfield.

FRESHMAN BASEBALL

Freshman Baseball Team in their first year at the senior high operated under somewhat hampered conditions. Having to take a backseat to the varsity and junior varsity squads, the underclassmen, under their Coach Mr. Vince Gandolfi, sometimes had to relinquish their practice time to the other squads. Working under these conditions, they were unable to complete their full schedule.

Best Wishes

To Each of the Graduating Class of 1959

ROCKY RIVER HIGH SCHOOL PARENT-TEACHERS ASSOCIATION

MAY THE PLEASURE BE YOURS IN '79

We, the members of the Rocky River High School Booster Club, take this opportunity to wish the class of 1959 *every* success that the World has to offer.

It has been gratifying to *all* of us to have been a part of that period of your life which saw you grow from children into *mature* young men and women . . . and to feel that the school activities made possible by our efforts were, in some small measure, contributing to that maturity.

We would ask *no* more of you, in return, than that you, too, will recognize the value of such organizations as the Boosters' Club . . . and that when *your* day in '79 comes you'll be ready, willing, and able to perpetuate such activities . . . in behalf of your future generation.

Sincerely,

THE BOOSTERS' CLUB
Of Rocky River High School

Congratulations to the Class of 1959

from the

ROCKY RIVER KIWANIS CLUB

OBJECTIVES 1959

I Apply the highest moral and spiritual values in every human relationship.

II Provide expanded programs for youth with increased emphasis on Key Clubs and Circle K Clubs.

III Arouse community concern for education that develops youth to its potential.

IV Use and develop wisely our natural resources through sound conservation practices.

V Support safety programs and law enforcement.

VI Increase public understanding of the causes and treatment of mental illness, and assist the mentally and physically handicapped.

VII Utilize the experience and talents of our senior citizens.

VIII Champion high standards and practices in business and in public affairs.

IX Strengthen Canada-United States understandings and friendship, and promote it as a pattern of good will and peace.

X Promote the rule of law and justice in international relations.

XI Reaffirm the blessings of freedom and democracy.

Balmy spring air and green leaves and grass . . . sports shirts and full skirts . . . track meets and spring fever . . . golf and finals . . .

It's June — graduation and the end of school for some, and for others the start of higher education. Classrooms and the parking lot are deserted. Repairs are being made; a few students straggle back for summer school.

The year has been reviewed; perhaps many will quickly forget it. But this book will last; and while it gathers dust in the corner of a closet, the memories will still be enclosed sharply and clearly for any who care to look.
